

October 27 School Board Meeting Affects Us All!

As you may know, the recently- elected Page County School Board representative for District 1, Tommy Lansberry, tragically died in September. The School Board has announced ([SCHOOL BOARD MEMBER VACANCY | Page County Public Schools](#)) that it will appoint one of 6 applicants (all residents of District 1), to fill the seat for a year until a special election is held in November 2023 to fill the seat for the final 2 years.

The School Board is holding a public hearing on Thursday evening, October 27, at 6:30, at its Central Office (735 W. Main St., Luray) for members of the public to weigh in on this all-important interim appointment.

Governor Youngkin's politicization of our public schools makes it more important than ever for residents to encourage our local School Board to maintain quality education for all our Page County students and to select a capable interim appointee to the Board. Please come to the October 27th meeting and make your views known.
